WALL DETAILS

INFORMATION

Pescara is a flexible 3-walls booth graphics system made up of a Pop-up structure to create an impressive triple spaced trade show booth. With a top height of 2340mm, this event fixture features enough space for setting up counters, chairs or any display and create 3 conference environments for your business. Ideal for meeting one-on-one with potential customers at a trade show. Composed by a straight frame for 3 graphic sides and 3 corner accessories. The portable display breaks down quickly, fitting neatly into the 2 portable carrying bags (included) to transport back to your business or to the next event. The 2 trolley cases are made of heavy-duty molded plastic and features roller wheels, dual handles, and locking security.

INFORMATION

Snap together these plastic interlocking floor tiles for an easy install and quick setup. Flooring made of high impact material results in long term use and dependability. Beneath each of the floor tiles there are ribbed support pillars for impact and shock absorption. Whether the 250x250mm configuration is used in a trade show booth exhibit, these multi-purpose floor tiles are suitable for indoor or outdoor events. Each unit with the reinforced composition provides a strong foundation efficient for impact and shock absorption. Ideal for a trade show booth set up. 5 colors available.

INFORMATION

The Wall Banner System is composed by a profile frame structure made of silver anodised lightweight aluminium and a full range of accessories for holding big size poster canvases. The wall banner system adopts a simple design to showcase your advertisement or promotional poster. Easy to assemble. The banner is attached by hanger clips through the grommets and fixed to the aluminium profile structure, allowing a simple and fast changing of the banner. Ideal for promoting your business or for displaying at outdoor exhibitions.
